

A Full Aftermarket Services Provider

CPC has partnered with a global service company to provide a full aftermarket support program to its products and customers.

You can now turn to CPC to provide parts, have them installed and your valves commissioned all in one order.

What can we offer:

- 100% identical replacement parts of CCI & BTG Valves.
- Valve parts installation & Commissioning
- Valve Repair & Refurbishment
- Valve Upgrades & Improvements
- Valve Specialist Supervision
- Application Studies and failure analysis
